

REMARKS

We acknowledge the Examiner's indication that claims 1-13 and 16 are allowed. We have also canceled claim 14. The Examiner objected to claim 14 because the phrase "the first motor" did not have antecedent basis. This objection is moot in view of applicant's having canceled claim 14.

Prior Art Rejections

The Examiner rejected claim 14 as being anticipated by Kim (U.S. 5,182,573). This rejection is moot in view of applicant's having canceled claim 14.

We submit that the application is now in condition for allowance, which action is requested.

Please apply any other charges or credits to deposit account 06-1050.

Respectfully submitted,
